

## CONFUZED – Infosheet

The band **CONFUZED**, a well established punk band from Basel (CH), founded their formation in 2001.

Short after the start, they were already booked for gigs by several clubs in Basel followed by several shows in different clubs in Switzerland and Germany!

**CONFUZED** had one or other gig with national as well as international bands inter alia, with *Anti-Flag* (U.S.), *Ten Foot Pole* (U.S.), *Divit* (U.S.), *Four Year Strong* (U.S.), *Alexisonfire* (CN), *The Ghost Of A Thousand* (UK), *Heideroosjes* (NL) or *Peter Pan Speed Rock* (NL)!

In 2008 the band won reelmusic.switzerland a committed management for themselves, with which the EP "**some things ...**" was released at 02 May 2008. The EP combines energetic punk rock songs and makes you want to experience the band live. In addition to that **CONFUZED** is to hear on the *Atticus Fast Forward Tour Sampler*. The four Punkrockers are currently working at their newest opus. The release date is in spring 2010.

In autumn 2009, the band was on a tour in the Czech Republic, Germany, Austria, France and Switzerland. Thereby the audience enjoyed the first glimpse of the upcoming album.

The band is characterized by its enormous engagement and motivation. Presenting themselves professional on stage, the audience is entertained at its best and will be keeping their phenomenal gigs in good memory.

Top motivated, young and full of power – the four guys of **CONFUZED** are ready to rock the world...so listen up to them... You surely will hear from them!
